

Illustration: Tom Moore has raised millions for the NHS.

What is Captain Tom Moore doing?

- **Captain Tom Moore, 99, had raised over £12 million for the NHS by Thursday morning.**
- **He has now completed 100 laps of his garden before his 100th birthday.**

Explore

Explore this **Female Engineers Reading Activity** to learn more about some of the engineers who have made a difference to our world.

Maybe, it will inspire you to think about what jobs you might like when you are older.

Write

So many people around the UK and the globe are giving their time and effort to help others.

Maybe, you could think of an activity you could do to raise money for the NHS, like Tom Moore is doing.

Choose an activity:

- How many star jumps can you do in 5 minutes?
- How many books can you read in one day?
- How many maths questions can you answer in one hour?
- Or think up a creative activity of your own.

Check your ideas with an adult. Discuss with them how you can use technology to talk with other members of your family. Encourage them to donate to your sponsored activity.

Investigate

Tom Moore trained as a civil engineer before joining the army in the Second World War. But what is a civil engineer? Using the Internet and reference books, investigate what a civil engineer does.

You may like to look at the information in this **Isambard Kingdom Brunel Powerpoint and Activity Pack** to learn more about one of the UK's most famous civil engineers.
