

Learn, write, check

NAME: _____

| Look and say | Write then cover | Write then check |
|----------------|------------------|------------------|
| audible | | |
| audience | | |
| audition | | |
| audiovisual | | |
| auditory | | |
| auditorium | | |
| photogenic | | |
| photographic | | |
| photocopier | | |
| telephoto | | |
| photophobia | | |
| arachnophobia | | |
| claustrophobia | | |
| xenophobia | | |
| hydrophobia | | |
| agoraphobia | | |

Audi is to do with hearing, and **photo** means light.

Phobia means fear, so **photophobia** is the fear of light.

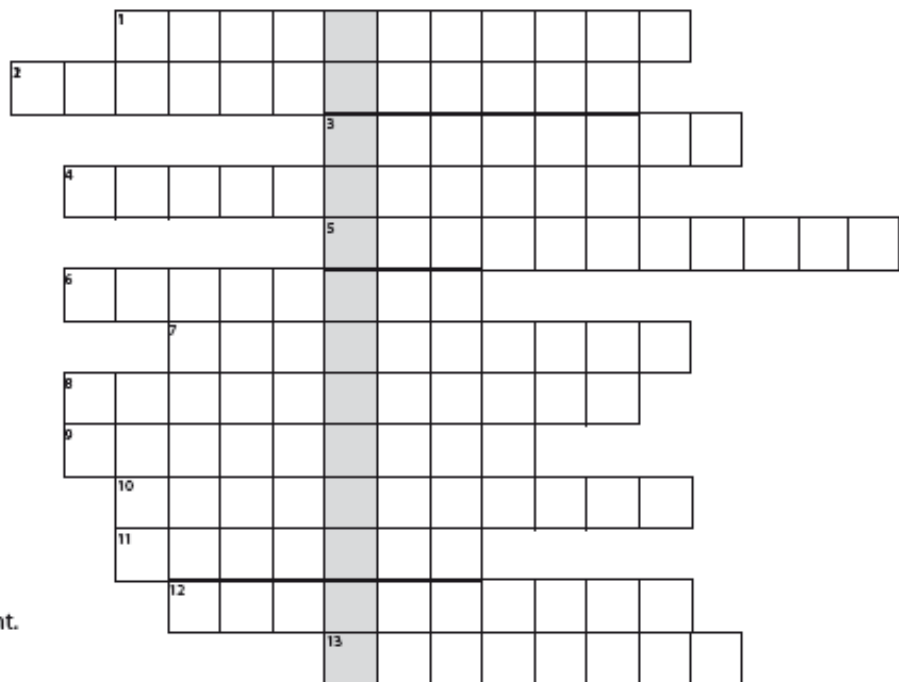

Follow the clues to solve the puzzle. If your answers are correct, you will find something many people suffer from written down the highlighted column. Take care – you won't need all the words in the word bank.

| | | | |
|-------------|--------------|---------------|----------------|
| audible | auditory | photocopier | claustrophobia |
| audience | auditorium | telephoto | xenophobia |
| audition | photogenic | photophobia | hydrophobia |
| audiovisual | photographic | arachnophobia | agoraphobia |

Now use the words to complete the puzzle.
