A King with a Ring

King Jing lived on top of a big hill. At night he would sing a song to Queen Ling as he put his ring on his chair. Then he hit a gong at the end of his song.

In the morning the ring was missing. King Jing was in shock!

'Where is the ring?' King Jing said to Queen Ling.

There was a ping as King Jing began to sing a sad song. The ring had fallen off the chair and hit the gong. King Jing hit his gong at the end of his song and put his ring back on his finger.
